

Sun Burst Name Quilt loaned by Louie Keen

Quilt belonging to Lona Mae Keen & won at auction, the quilt contains names of local businesses and local individuals.

There are over 500 names on this quilt. A list of the names is provided since the thread used to embroider the names is light and the names are very hard to read.

We are searching for a date of when the quilt was put together, also for what reason (fundraiser, marriage, war effort, etc.). If you recognize a name and if you have any information regarding the quilt please let a staff member know. Thank you.
